FOR IMMEDIATE RELEASE:

Samson Energy Company, LLC to hold Community Informational Session

Crystal Beach, Texas- Samson Energy Company, LLC will offer an informational session to present and discuss its 3D Seismic Survey being conducted in the area. The meeting will be held at Stingaree Restaurant on March 28, 2012 at 6:30. Residents are invited to join Samson Energy Company representatives for Complimentary Drinks and Appetizers from 6pm-8pm.

Samson Energy Company is a private oil and gas company that is active in the U.S. Gulf Coast and the U.S. Deepwater Gulf of Mexico. It is a leader in seismic exploration and drilling and completion technologies utilizing sound geological and engineering technologies for the exploration and production of oil and gas. In addition, social responsibility is a core value at Samson and we are proud to live and work and also give back to the communities where we work. We are committed to being a long term partner to the communities we work in and we look forward to an evening of providing information and answering questions from our neighbors in Boliver, Crystal Beach and surrounding areas.

Stingaree Restaurant
1295 Stingaree Rd.
